EXPERTISE – *Please list below in detail your interests and expertise related to Islamic manuscripts.*

As per the constitution, members shall have the right to vote, hold office, and receive special membership rates for conference fees, training workshops, publications, etc. There are three categories of membership and the annual fees are set in the constitution as indicated below. *However, at the present time the Board have agreed to waive all membership fees.* Please select your membership category as appropriate:

INDIVIDUAL £50

Anyone joining TIMA should have a professional interest in Islamic manuscripts. Individual applicants must attach a copy of their curriculum vitae.

INSTITUTIONAL £250

Any institution joining TIMA should nominate a senior member of staff to represent the institution at meetings and to receive written correspondence. In addition to this representative the institution may nominate up to four other members of staff to join TIMA. They should complete separate membership forms and attach their curricula vitae.

Please tick here if you will act as representative for your institution.

CORPORATE £150

Any company involved with consultancy, publishing or producing materials for work related to Islamic manuscripts may join as a corporate member.

There are four interest groups within TIMA: Cataloguing, Conservation, Digitisation, and Research & Publishing. Each group is directed by a sub-committee which proposes projects and workshops and which functions on an interactive basis with the members of its interest group. If you are interested in joining the interest groups, please indicate:

a) Which of the four groups you have chosen as your primary interest group. This group will be the focus of your activity within TIMA, and you will have the right to vote for new members of this group's sub-committee once a year.

.....

b) Which other interest groups you would like to receive information about. You will be added to the interest group mailing list and will receive information about the group's activities.

.....

I understand that the principal aim of TIMA is to serve manuscript collections and I would like to take an active role toward this aim, as far as I am reasonably able to do so.
